Jelly Time!

The Prep and Kindergarten class made jelly this week, as they have been learning the letter and sound 'J'. They first wrote that jelly felt wobbly and smelt sweet. Most of all it tasted yummy and that we all loved jelly! They then helped make jelly using the following procedure:

1. Sprinkle the jelly crystals into a jug.
2. Pour hot water into the jug.
3. Mix it well to dissolve the crystals.
4. Add cold water and mix some more.
5. Pour the liquid into cups.
6. Put the cups in the fridge and let it set.

The next day, the delicious jelly was ready to eat. Yum!! Yum!!

Start Smart Program

This term the students participated in the **Start Smart** program which is designed to change the way students learn about money.

The students of **1-2** were introduced to money, what it is used for and how it can be earned and saved. Guided by Captain Super Cents, the students were taught to distinguish between needs and wants and to recognise the dangers posed by Gobbles the Wallet Monster, who represented all those temptations to spend money needlessly. They learnt fun rhymes and tips to help them form solid financial habits.

Year 4-6 students learnt important financial literacy skills through a range of scenarios that related directly to their daily lives. They were taught about how we can earn money, what it means to earn money responsibly, how to set a budget, what interest is and how to compare prices when shopping.

These fun and engaging workshops equipped the students with the confidence and competence to make smart decisions about money.

StartSmart

These 'Start Smart' educational sessions are established and facilitated by the Commonwealth Bank Foundation to communicate with young people in a way they understand.

BOOK WEEK CHARACTER PARADE

During the week of **24th - 28th August** we will be celebrating **Book Week**. It will be a very busy and enjoyable week for the children.

On **Thursday, 27th August** during our special **Book Week Assembly** we will hold a Book Character Parade, for which the children are asked to dress up as their favourite character. Parents are invited to experience this wonderful event by joining us during the afternoon from 1.30pm.

Children are encouraged to think of original characters from books that they enjoy. They will be asked to explain their choice of character in a speech of one minute or less. They will be given time to practise at school before the day. So, please make sure your child has chosen their character in plenty of time. Last minute decisions will seriously handicap them in their 'speech' preparation. Start getting ready with ideas.

If you have chosen a character/costume that duplicates one already chosen, you will be asked to please choose again.

The aim of the Book Week Parade is to engender excitement in books that are being read by the children. They are to give a talk about their reading of the book. Harry Potter books are older children's books, so we would not expect them to be chosen by the young children. Please, **do not** choose characters that are more closely associated with TV characters, comic characters, movie characters etc. Please, look into your **child's favourite books to find real children's characters** for them to portray in costume. Don't forget, Armenian characters from Armenian stories or history books are very legitimate and desirable for this purpose.

We try very hard to build our children's literacy using good quality literature. Please help in reinforcing this effort by choosing good quality characters for them to portray that day.

Questions to consider answering in your presentation:

-  Who am I?
-  What book do I come from?
-  Why did I choose this character? Interesting features about your character - Are you a 'goody' or a 'baddy'? Do you have powers? Are you a smart character? Do you have/know any secrets that no one else knows about?
-  Did you like the story? Talk about the favourite part of the story that you were involved.
-  Do you recommend this book to your friends? Why?

BOOK WEEK CHARACTER PARADE - ENTRY

Please complete and return to your class teacher. Please note **first come-first serve** for choice of character in case of multiple entries. All students are expected to take part in the parade. Costumes need not be elaborate as we take special notice of initiative and creativity. Students will also be expected to give an oral presentation about their book character. The presentation should be no longer than one minute. If you need help with your character, please talk to your class teacher.
