

Dear Parents,

**CPR & EMERGENCY CARE TRAINING**

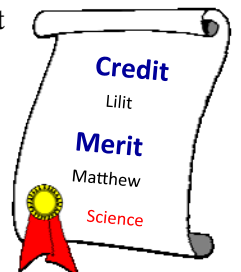

On Monday, as part of our Staff Development Day, members of staff and a number of parents successfully completed the yearly review of their ‘*Cardio Pulmonary Resuscitation*’ (CPR) training. Our trainer from The Australian Lifesaving Academy (the professional first aid training arm of *Surf Life Saving NSW*) made sure all of our staff and office personnel were updated with their CPR and trained to deal with emergency situations. They will be back later in the year to conduct the ‘*Junior First Aid*’ course for the students.

**I.C.A.S. SCIENCE RESULTS**

Congratulations to **Lilit T.** for receiving **Credit** and **Matthew Z.** for achieving **Merit** awards in the ICAS Science Competition.

All students who participated in the competition were tested on a wide variety of thought provoking skills ranging from observing, measuring, interpreting, predicting and concluding to investigating, reasoning and problem solving. The students’ tests and results are included in this week’s newsletter folder. If you have any queries about your child’s result, please do not hesitate to contact their teacher.
