Dear Parents,

HALF YEARLY REPORTS

The Half Yearly Reports were distributed today. We hope you find them helpful in understanding your child's progress at school so far this year.

If on reading this report, you wish to address aspects of your child's learning, to help with any issues they might have, the teacher concerned will assist you with specifics. As you know, the forwarding of reports before the end of term helps facilitate parents arrange for an appointment before the holidays. Should you need to speak to your child's teachers, please fill in the form in this newsletter and they will call you back or arrange an interview. Parents of 'Prep' students have also received a special progress report.

With the reports out, I would like to remind parents that providing support and encouragement towards your child's learning is the most important way you can help them succeed. Remember, parents are the children's first teachers and helping your child to learn can be simple. Reading to them and encouraging them to tell you the same story in their words, or asking them to talk about something that interests them are just a few examples. We can help children learn almost any way which suits us, because many of the everyday things we do at home help our children learn. Things like writing a shopping list or placing a lunch order, cooking and following a recipe together, planning a party and writing invitations together or even getting your child to teach you about using the computer or how to play their favourite App game!

ASIA STUDIES DAY & ASSEMBLY

On **Thursday**, during our assembly we will see the culmination of our Asian Studies for the Term. We will have a special 'Asia Studies Day Assembly' and hope to share some of knowledge gained by Prep-Kindergarten about Vietnam, by Years 1-2 about India and by Years 3-6 about Bali.

I would like to take this opportunity and welcome our parents to the assembly, which will start after the children are served delicious Asian food during lunch time. Parents are welcome to join from 1pm.

Invitation: Special Asia Studies Day Assembly - Thursday 29 June, 2017 from 1pm.
